**We are delighted to welcome  
Dr Lisa Wong to the team**

**After graduating from The University of Melbourne, Lisa has spent the last few years working around Australia in a diverse range of specialties. Initially starting her training at Western Health, she continued her hospital-based training at Albury, Alice Springs and Darwin.**

**Lisa has an interest in internal medicine and chronic disease management with a wide range of experience in cardiology, renal, gastroenterology, oncology, neurology, aged care and infectious diseases. She has also completed a paediatric and obstetrics and gynecology rotation.**

**Outside of medicine, Lisa loves exploring and trying new hobbies and interests. Her love for travel has taken her to over 30 countries, and when she's not planning her next adventure she is practicing aerial gymnastics (through both silks and lyra).**

**She also enjoys hiking, bouldering and exploring new cafes. She also brings this curiosity and energy into her clinical work, striving to provide holistic care that supports patients in all stages of life. Lisa is excited to join the team at Dr Dan's Medical Clinic.**

## **EXCITING NEWS!**

*We are delighted to share that Dr Mathew Agnew will be staying with us for the next six months. We're really looking forward to continuing to work with them during this time, and we hope to see them back with us again in the future.*

## **THE BONE BUS IS COMING 7<sup>TH</sup> AND 8<sup>TH</sup> OF MAY**

*The Bone Bus is a mobile bone densitometry service that visits our clinic. If you want to get a bone scan done you will need to make an appointment with one of our doctors and then call the bone bus to make an appointment. You can also do this online.*

*If you have a Medicare card and a Pensioner Concession Card (PCC), or a DVA Gold Card, your bone density scan is bulk billed. If you don't have PCC then it will be \$130 on the day Medicare will refund \$101.55. The scan takes 10 minutes, is painless, you stay fully clothed,*

## **Fun Health Facts!**

### **FIRE DANGER RATING DAYS**

On days where an Extreme Fire Danger Rating is declared, our clinic will close at 1:00pm to ensure the safety of our patients and staff. If a Catastrophic Fire Danger Rating is announced, the clinic will not open at all for that day. We appreciate your understanding and recommend checking local fire warnings
